Internationale Deutsche Motorradmeisterschaft

The Internationale Deutsche Motorradmeisterschaft (IDM) is one of the best and strongest national Championships in the World.

Stars coming back from MotoGP™ and WorldSBK™ are battling it out against the best young talents that the German market has on stock.

Other way round, the IDM is the jumping place to the World Championships for many riders. The IDM makes the perfect marketing ground for ambitious companies and Fans, be it on site or in the free available Live-Stream.

You, your partners, friends and family are kindly invited to be our guests! Racedays are holidays!!
